Dear Sir,

This Amendment is in response to the Office Action dated November 8, 2000. Please amend the application identified above in the following manner.

IN THE SPECIFICATION

Appendix 1 includes a marked-up version of each paragraph in the specification that this Amendment replaces relative to the previous version of the paragraph.

REPLACE the paragraph beginning on page 2, line 24 with the following:

When a conventional facsimile apparatus executes facsimile communication from a station A to an Internet service provider (to be referred to as an ISP hereinafter) near a station B by dial-up connection, the user at the station B cannot detect arrival of the reception information of the facsimile communication at the ISP.
